

Greater Than or Less Than

Objective

Understand and use $<$ and $>$ signs

Equipment

- Orienteering Control Markers
- Enrich School Orienteering Map
- Activity Sheets
- Clipboard (suggested)

Preparation

- Select and print Activity Sheets

Instructions

- Teacher to assign groups of 2 or 3 to their starting points.
- Pupils use the Enrich School Orienteering Map to locate their starting point and each of the control points indicated on the Activity Sheets.
- At each control point, pupils fill in the four numbers from the control marker on their Activity Sheet.
- They then use two or more of the numbers from the marker to write a number sentence, using either $<$ or $>$ signs e.g. $7 > 1$.

Other information

- Teachers could differentiate this activity by instructing some children to combine numbers from the markers to include 2, 3 or 4-digit numbers in their number sentences.
- Remind pupils of the teacher's location for the task.
- Pupils to complete their first 5 questions and report back to the teacher.
- After a quick check the pupils can carry on with the activity.
