

British Cities Quiz

Objective

Name and locate cities of the United Kingdom.

Equipment

- Activity Sheets
- Enrich Education school orienteering maps.
- School atlases (optional)

Preparation

- Children could complete this activity in pairs or small groups.
- There are 3 different Activity Sheets for this activity.
- Provide each pair/group with an Enrich Orienteering Map and an Activity Sheet.

Instructions

- Children use their Enrich school orienteering map to locate the control points identified on their activity sheet.
- At each control point, they must read the clue and then fill in the missing letters to complete the answer, using the letters from the control marker to help them.
- They will not need to use all the letters from the marker and letters can be used more than once.
- All the 6 clues on each sheet are about names/locations of major UK cities.

Other information

- Activity sheets can be laminated, and children use whiteboard pens so that the sheets can be used on multiple occasions.
- Children could take a UK atlas with them to help them complete this activity.
