

Collect the Letters 4

1. First, collect your letters.

At each control point, look at the letters on the marker. You can choose two letters from each marker you visit.

Write the letters you choose in the table below.

Control Point	Your Chosen Letters	
2		
4		
6		
8		
10		
12		

Think of three different words that include as many of your chosen letters as possible.

Write the words below:
