

Create a Character Story 1

You can create a story by starting with a character and asking some questions about them.

Find the control point and write in the 1st number. Now discuss your ideas for that question whilst you travel to the next control point. (You can make some notes on this Activity Sheet).

Control Point	1 st Number	Character Question
1		What is your character's dream or ambition?
3		What are their strengths and weaknesses?
5		What might make it difficult for them to achieve their ambition?
7		Who might help them?
9		Who might make it more difficult for them to achieve their ambition?
11		Are they able to achieve their ambition?
