

Create a Character Story 2

1. You can create a story by starting with a character and asking some questions about them. First, collect the questions.
2. Find the control point and write in the 2nd number. Now discuss your ideas for that question whilst you travel to the next control point. (You can make some notes on this Activity Sheet).

Control Point	2nd Number	Character Question
3		Is your character brave or timid?
5		What is the thing that they are most afraid of?
8		What has happened to them to make them so afraid of this?
6		Who might help them overcome their fear?
4		What happens when they have to confront their fear?
2		Were they able to overcome their fear?
