

Improving Sentences

Choose 3 of the sentences that you collected and re-write them to improve them.

Use your imagination to think of what each sentence is describing. How could you change the sentence so that it paints a more vivid picture in the reader's mind?

You could rewrite the whole sentence or you might decide to just change one or two words.

These are some suggestions for things that you could do to improve the sentences.

- Add adjectives or adverbs to make the writing more descriptive.
- Change the verbs to use more powerful or more unusual verbs.
- Include a simile or metaphor.
- Change the word order.
- Take unnecessary words out of the sentence.
