

# Improving Sentences 2

Look for the control point number on your map to find the control point.

Look for the 4<sup>th</sup> letter on the marker.

Write the letter next to the sentence to collect it.

| Control Point | 4 <sup>th</sup> Letter | Character Question                                |
|---------------|------------------------|---|
| 3             |                        | Everything turned white when it snowed.           |
| 7             |                        | It hurt when the football hit her, and she cried. |
| 9             |                        | A blackbird was singing in a tree.                |
| 11            |                        | The stars came out when the sky grew dark.        |
| 13            |                        | A spaceship moved over the planet's surface.      |
| 15            |                        | 'Put that phone away,' said the angry teacher.    |
