

Prefixes to Show Quantity – Follow-on Activities 2

1. All the words you collected begin with prefixes. Can you find any other words which begin with the same prefixes? Use your dictionary to help you and write a word for each prefix in the table below.

Prefix	Word
quad	
uni	
bi	
mono	
tri	
poly	

2. These prefixes are often used to show 'how many' or 'the number of' something. Look at the words you have found – can you work out the number that each of the prefixes show?
