

# Meaning of Prefixes 2

Find the control point and use the letters to complete the prefix.

Choose a root word and make a whole word, using the prefix and root word.

Think carefully about the meaning of the prefix that you have made. Can you think of any other words that start with the same prefix? Choose a 'best-fit' meaning for the prefix.

Control Point	Prefix	Whole word (prefix + root)	Meaning of prefix?
3	__ nt __		
5	i __ t __ r
