

## Vocabulary Stories (5) – Follow On Activity

**Now look at the words you have collected. Can you use them to help you improve and finish the story? You don't have to use all the words – just use the ones that you think will fit best with your version of the story.**

**Here are some things you might think about when you re-write the story....**

- What is the name of the person?
- How did they feel about moving house?
- How did they feel about having their own bedroom?
- What was it like to help to strip off the old wallpaper?
- How did they feel when they uncovered the old cupboard?
- What was inside the cupboard?
- How did the story end?
