

Letter Recognition 2

Objective

Say the correct sound in response to a letter.

Equipment

- Letter cards or plastic letters
- Hoops or bags

Preparation

- Select a set of letters which the children are currently learning.
- Children sit in teams (or the game can be played with one group)
- Put the set of letters in a bag or a hoop at a short distance (between 5 and 10 metres?) in front of each team.

Instructions

- The adult gives a signal and the child at the front of the team runs to the bag/hoop.
- They take a letter out of the bag/hoop, shout out the sound and 'write' the shape of the letter in the air (using large movements and the correct formation for that letter).
- They then run back with the letter and sit down at the back of their team.
- The next child in the team then runs to take a letter and the game continues.
- When all the children have collected a letter, the adult selects children and asks them to stand up, hold up their letter, say the letter sound and 'write' it in the air. They check with the rest of the group to see if is correct.
- The adult can then collect in the letters and return them to the bag/hoop so that the game can be played again.
