

# Letter Recognition 6

## Objective

Select the correct letters in response to phonemes

## Equipment

- Large letter cards

## Preparation

- Collect large letter cards for a selection of letters that children are currently learning.
- Display large letter cards at several points e.g around the edge of the school hall, along a fence, in the school grounds etc.
- Small group activity or large group divided into teams.

## Instructions

- The adult calls out one of the letter sounds, repeating it with the rest of the children joining in.
- The child at the front of each team has to run, touch the letter, run to the back of their team and sit down.
- The first child to touch the correct letter and then run back and sit down is the winner.
- When each of the children is sitting down at the back of their teams, the adult calls out another letter sound, the next child in the team runs to touch that letter and the game continues.

## Other information

- This game can also be played with digraph cards or with 'tricky word' cards etc.
