

Rhyme 4

Objective

Develop awareness of rhyme, match rhyming words

Equipment

- Enrich Phonics and Number Markers
- Rhyming cards / objects
- Hoops

Preparation

- Make a selection of objects and/or picture cards which rhyme with the pictures from the markers that will be used in this game.
- Show the children the pictures and objects before playing the game and say their names with them.
- Take the children around the markers that are being used. Point out the pictures and say their names with them.
- Small group activity

Instructions

- The adult places the rhyme pictures / cards in a hoop at a short distance from the children.
- They give a signal and the children all run and take one of the objects or pictures.
- Each child has to run and find a marker with a picture that rhymes with their picture card /object.
- The adult calls the children back. They each say the name of their picture or object and the name of the rhyming picture that they found on the marker. The group checks to see if they rhyme.
- The adult collects in the pictures / objects and the game can be played again.

Other information

- Examples of objects which rhyme with the pictures on the Enrich Education Phonics /Number Markers - car / star; key / tree, knee, bee; bone / phone, stone; queen / bean; snake / cake; chair/ bear, pear; kite / night, light etc.
