

Box Monster

This is a super quick but really fun activity that uses your craft skills to create your very own box monster.

You will need to colour and design how you would like your monster to look, think about the colours you will use, what type of body parts and hair you might include.

Design and colour your monster before you cut it out and start sticking it together. Cut around the black lines and fold the dotted lines to create your box monster. Take care when using scissors, especially when cutting the slit for the arms.

What you will need?

Box Monster Work sheet

Pens/Pencils

Scissors

Glue/Sellotape
