

Bring a Story to life!

Creative Writing!

Create your own story but it must have 6 special features:

A lead character

A friend

A villain

A mythical location and a journey.

Once you have taken your time to create this story you can now bring it to life!

Either draw, paint or sculpt your characters and the location. In s story board.

You could ask your parents / guardians to down load a free stop frame animation app and bring your story to life. Or use a smart phone to take lots of pictures.

Move the characters a small time at a time and capture their movement. This will take a lot of patience but it will look great in the end!

What you will need?

Pens

Paper

Smart phone
