

Make Your Own Board Game

Create your own board game!

Think about making characters that can move around the board, you can use toys, coins, any object really or make your own!

Draw pictures of different locations on a piece of paper (the bigger the better) each location can help or hinder your character (move forward 2 places or move back one etc) and either roll a dice or toss a coin for your character to move along the board.

Incorporate some of your favourite things like superheroes, Disney characters etc

What you will need?

Pens or Pencils

Paper

Coins or dice

How do I gain credits for this Children's University activity?

Simply take part in the activity and evidence your wonderful work. Make a note of the special 'Activity Stamp Code' at the bottom of this page and take it into school. If you have a Passport to Learning call the Activity '*Enrich Education Online*' and write down the activity code in the '*Stamp of Approval*' section.
