

Quidditch Team crest

Create a crest for your own Quidditch team. Do some research and get some inspiration from JK Rowling's Harry Potter and Quidditch through the ages books or some of the real teams from the Quidditch Premier League.

Look at the other famous quidditch teams from Hogwarts and around the country. Look at their crests and what it is made up of? Is it an animal or a mythical creature or person? Can you think of any other animals or creatures that have distinctive abilities that could make up your quidditch crest?

Now you have some ideas, start to write down the fictional history of your team, where are they from, how did they form, who or what is the mascot?

Once you have all the details now its time to create your crest and bring it to life. Use the sample crest template as a guide.
