

# Los Numeros 1-10

## Objective

- To consolidate and become more competent in the use of numbers 1-10 in Spanish.

## Equipment

- Enrich School Orienteering Map
- Orienteering Control Markers
- Activity Sheets

## Preparation

- Children should have been previously introduced to the numbers 1-10 in Spanish.
- Children could do this activity in pairs.
- Give each pair an Activity Sheet and pen/pencil.
- Explain to the children how to complete the Activity Sheets.

## Instructions

- Children use their Enrich School Orienteering Map to locate a series of control points.
- At each control point they record the specified number from the control marker
- They must then write the Spanish word for that number on their Activity Sheet. (They can either write it from memory or copy the correct word from the list on the Activity Sheet.)
- Each child should then say the word out loud to their partner in their best Spanish accent.

## Other information

- This activity can be used for KS1 or 2 depending on their starting point of learning Spanish.
- As a follow on/extension activity, children could practice writing/saying the numbers 1-10 in Spanish in the correct order.
