

Collect the Famous Historic Buildings

Objective

To become familiar with some famous historic buildings.

Equipment

- Enrich School Orienteering Map
- Orienteering control markers
- Activity Sheet
- Answer Sheet

Preparation

- Children could do this activity in pairs or small groups.
- Provide each pair/group with a copy of the Activity Sheet and an Enrich School Orienteering Map.
- Explain to children how to complete their Activity Sheet.

Instructions

- The Activity Sheet has the names of six famous historic buildings, each of which has several missing letters.
- Above the name of each building, there is the number of a control point. Children use their orienteering map to find the control point.
- They then use letters from the control marker (1st, 2nd, 3rd or 4th) that are indicated above each missing letter to fill in the missing letter and complete the name of the building.

Other information

- Children could choose one of the buildings for a research topic.
