

# Orienteering Challenge – Choose the largest Number Answer Sheet

| Control Point |            | Tick the largest number from each set of three | Check your answer with the 1st letter |
|---------------|------------|--|---------------------------------------|
| 2             | 1,007,605  |  | D                                     |
|               | 1,223,088  |  |                                       |
|               | 1,056,992  |  |                                       |
| 3             | 192,001    |  | B                                     |
|               | 188,399    |  |                                       |
|               | 193,000    |  |                                       |
| 12            | 1,050,227  |  | P                                     |
|               | 1,009,325  |  |                                       |
|               | 1,008,998  |  |                                       |
| 8             | 572,699    |  | O                                     |
|               | 987,855    |  |                                       |
|               | 1,000,022  |  |                                       |
| 15            | 6,008,925  |  | M                                     |
|               | 6,000,899  |  |                                       |
|               | 6,010,554  |  |                                       |
| 11            | 2,010,247  |  | I                                     |
|               | 2,008,675  |  |                                       |
|               | 2,000,985  |  |                                       |
| 4             | 12,000,766 |  | H                                     |
|               | 1,886,499  |  |                                       |
|               | 12,001,000 |  |                                       |
| 6             | 1,995,088  |  | F                                     |
|               | 1,996,001  |  |                                       |
|               | 1,889,995  |  |                                       |
