

World Book Day Author Quiz

Objective

A fun orienteering quiz for pupils to try out on World Book Day.

Equipment

- Enrich School Orienteering Map
- Orienteering control markers
- Activity Sheet
- Answer Sheet

Preparation

- Pupils could complete this activity in pairs or small teams.
- Provide each team with a copy of the Activity Sheet and an Enrich School Orienteering Map.
- The Activity Sheet is editable, so teachers can substitute different control markers if required.

Instructions

- The Activity Sheet has a set of questions linked to famous children's authors, each of which has three possible answers to choose from.
- At the starting point, each pair/team chooses one of their questions and ticks against what they decide is the correct answer. (The teacher makes sure that they have ticked against an answer for the question before running to check their answer.)
- Using their orienteering map, they then check the answer by running to the control point for that question. **The 4th letter from the control marker is next to the correct answer.**
- They then run back to the starting point.
- Alternatively, pupils could complete all of the questions and then check their answers using the orienteering activity.

Other information

- There is an answer sheet that accompanies this activity.
