

# World Book Day Extract Quiz

## Objective

In a fun orienteering challenge, children listen to short extracts from stories, discuss each extract and answer a question about each story.

## Equipment

- Enrich Interactive Control Markers 6 - 10
- Enrich Interactive Orienteering Map
- Devices that can access QR technology e.g. ipads, smart phones etc.
- Activity Sheets

## Preparation

- This activity uses **Interactive Control Markers 6 – 10**. The QR code on each marker links to 'World Book Day Trail' and then to a picture of a book cover and an audio recording of an extract from the book. (\*See 'Other Information' below.)
- Download the Enrich Interactive Orienteering map and edit it to show the locations at which each of the markers will be placed.
- Place the markers at each of the locations around the school / school site.
- Explain to the pupils how to access the QR code technology using their devices (smart phones, ipads etc).
- Provide pupils with an Activity Sheet and a copy of your Enrich Interactive Orienteering Map, edited to show the location of each of the 5 markers.
- Alternatively, place the markers at locations inside the school building and give children clues or information to enable them to find each of the markers e.g. 'Look for a marker next to the door to the hall. Look for a marker in the school library' etc
- If the school has a 'floor plan' of the building, that could be copied with the marker locations marked on, and children could use this to locate the markers.

## Instructions

- Pupils could do this activity in pairs or small teams.
- Pairs/teams locate each marker - either using their orienteering map or following the clues that they have been given. (See 'Preparation'.) They can go to the markers in any order.
- At the marker, they use their device to scan the QR code. This opens 'World Book Day Trail' and then a picture of the cover of one of the five books and an audio file (a reading of a short extract from the book).
- Pupils listen to the extract and talk about it in their team/group.
- On their Activity Sheet, there is a question linked to each extract. Pupils answer the question, recording their answers on their Activity Sheet.
- They then locate the next control marker and repeat.

## Other information

- There is an answer sheet that accompanies this activity.

### Interactive Markers 6 – 10

6. The Iron Man (Ted Hughes), 7. Kensuke's Kingdom (Michael Morpurgo), 8. The Story of Tracey Beaker (Jacqueline Wilson), 9. Millions (Frank Cottrell-Boyce), 10. The Worst Witch (Jill Murphy)
