

Word Classes - 2

Objective

Consolidate knowledge of word classes – nouns, verbs, adjectives, adverbs,

Equipment

- Word cards - nouns, verbs, adjectives, adverbs.
- 8 hula hoops – 2 red, 2 blue, 2 green, 2 yellow
- Small PE cones (optional)

Preparation

- Print off, laminate and cut up the set of word cards (see below).
- Place the hula hoops at one end of the playing area.
- Scatter word cards over the play area. Alternatively, place 15 – 20 small PE cones at random over the play area and put two or three word cards under each cone.
- Split the class into four teams, red, blue, yellow and green to correspond with one of the colours of hula hoops. Assign one of the word classes to each team.
- Teams line up at the opposite end of the playing area to the hula hoops.

Instructions

- The teacher starts the game.
- Pupils from each team must find words of their word class and place them into their team's hoops.
- When the first team has ten word cards in their hoops, the game stops. The teacher checks the word cards with the class. If they are all correct, that team are the winners.
- If any cards are incorrect, they are removed from the hoops and the game continues until one team has ten correct word cards in their hoops.
- The word cards are then redistributed around the playing area, teams are assigned a different word class and a new game can commence.

Other information

Word Cards:
